

BRACKENCLOSE RESTORATION FUND

A fundraising campaign to restore Brackenclose, our Club hut in the heart of Wasdale, which was substantially damaged by fire in April 2019.

A disastrous fire destroyed a substantial part of our flagship hut, Brackenclose, in April 2019.

A restoration programme is underway to rebuild the damaged rooms and create a new Brackenclose that is almost unchanged externally, but better insulated, modernised and with a design allowing more flexible use.

Cost The cost of the preferred plan will be about £390,000. Following conversations with the architect, our quantity surveyor and insurers, and allowing for a contribution from Club reserves of about £50,000, we will need to raise at least an additional £100,000, perhaps more.

In the 1930s, the Club built Brackenclose with donations from members, at a cost of about £1,500. What an investment!

The scene in April 2019

The task Our expectation is that direct donations of money from members and friends will enable us to raise sufficient funds.

We urge you to give as generously as you are able.

No donation will be too small, all giving will be voluntary and all donors will remain anonymous. We have opened a dedicated bank account into which all money raised will go, to be ring-fenced for the Brackenclose Restoration Fund.

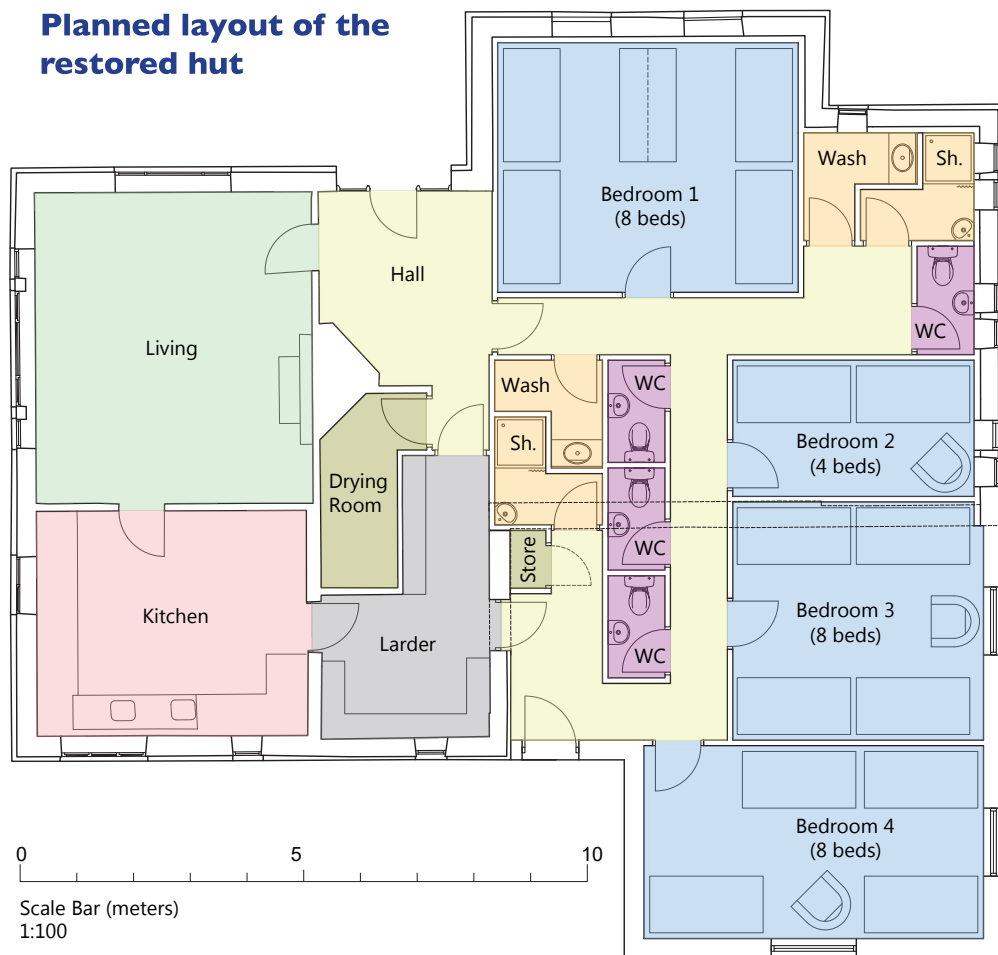

Any surplus will be used for other hut-related projects.

With a membership of over 1,000 the goal is achievable.

Let us make Brackenclose once again a great place to stay in the historic centre of Lake District climbing.

Hatty Harris President, John Pulford Treasurer, Andrew Paul Huts Secretary.
