

Brant Street Crag

OS Ref: NY 477 106

Alt: 480m

There is a series of small crags on the west side of Branstree which can be seen from the car park at the head of Haweswater. The routes climbed are on the best crag, which is the highest and is situated about 200m left of the stream/gully.

Approach

From the car park at the head of Haweswater, walk back along the road for about 400m to a gate. Hike up the very steep fellside to the crag which is level with Blea Water and has a fabulous view over Haweswater.

Brant Street Crag

1 Twisted Baggett E1 5b † **New** 20m

Takes the pillar on the left. Climb to the roof and move rightwards to gain a crack-line. Using holds to the side of the crack, climb to the top in a fine situation.
