

Looking How

OS Ref: SD 244998

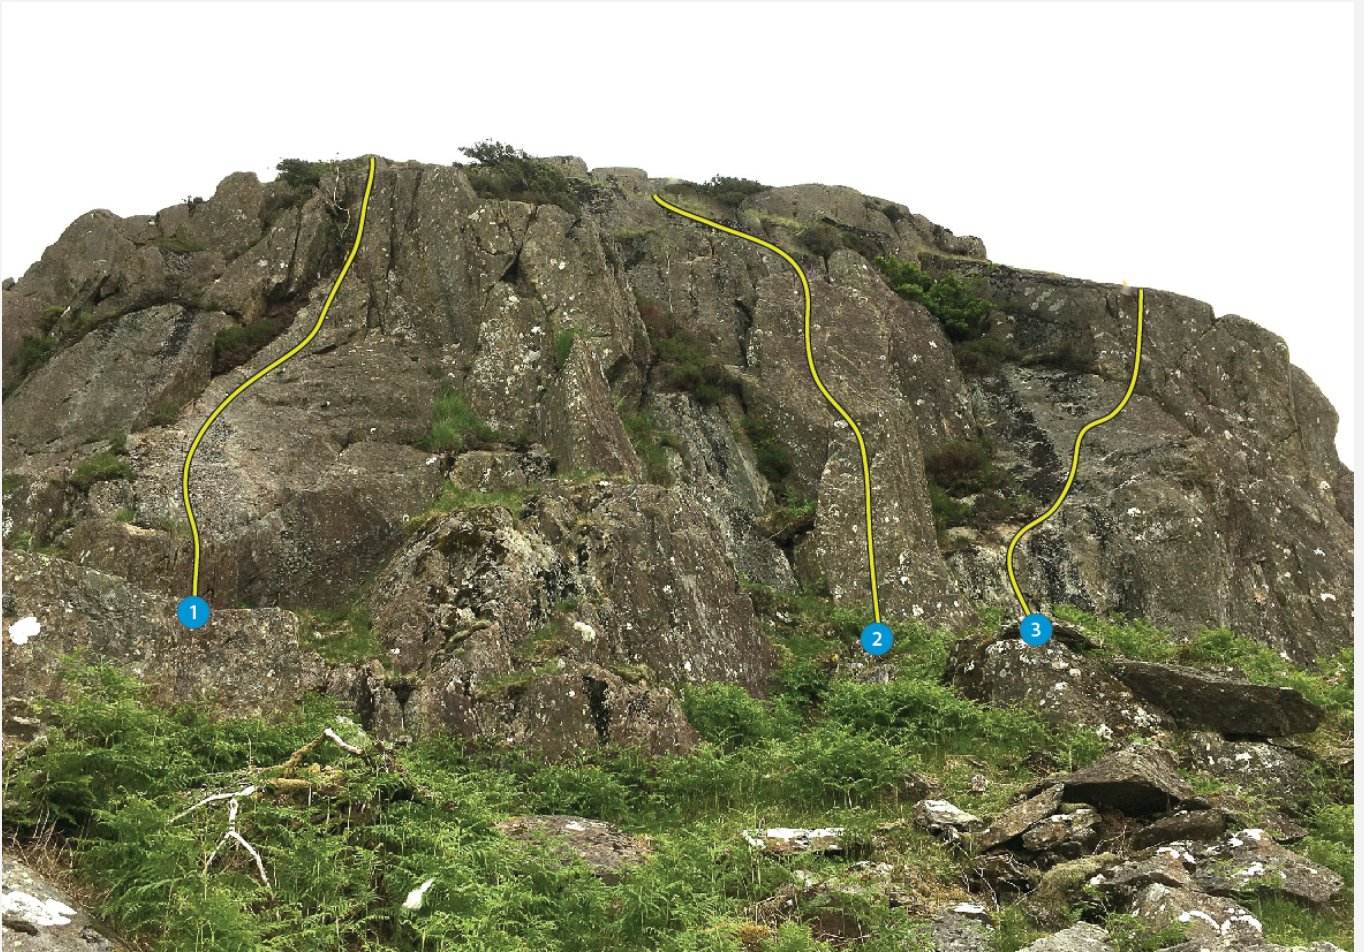

Alt: 350m

Approach

Park at SD 237996, space for 2-3 vehicles at a triangular widening and forest access gate 200m up the valley from the Forestry Commission car park. Walk along the track till it fades out at a clearing / turning head, then head uphill for 50m to a stile over the forest fence. A good path runs along the fellside above the stone wall. Follow this northwards until tracks lead up through the bracken to the crag.
