

Woof Stones

OS Ref: NY 263111

Alt: 290m

One main wall up to 20m with smaller subsidiary buttresses either side.

Approach

Approach from Stonethwaite turn up and along Langstrathdale and ascend towards [Cam Crag](#). [Woof Stones](#) is first buttress on right through the gate, below and to the right of Cam Crag.

1 **Woof Wall** HVS 5b † **New** 20m

★★★

Ascends the main buttress direct. Start at lowest point of the buttress. Follow right hand crack initially, climb through a thin section then up to small roof and finish direct.

29.04.2021 D Morgan

2 **Collie's Groove** HVS 5a † **New** 15m

★★★

Takes the groove to the left of [Woof Wall](#) via a thin move and finishes left on the ledge.
